

Energia Conference 2020
Presenter: Sharon McCammon
Place of Ministry: Missionary to Lithuania

Topic: Discipleship: Passionate Proclamation

Discipleship: Passionate Proclamation: Sharon McCammon-We will see why it is necessary to offer discipleship with accountability to children starting around ages 10-12 with continual stepping up. Talk about children's currency, their time and choices and how they need to learn whom they will serve at a young age so that it's not a question in their adult life. A generation that understands what it means to take a stand.

- I. Purpose & Reason:
 - a. It is imperative that we raise up a generation of Warriors
 - b. Young adults lack vision today because the church failed to pass the baton
 - c. If a child does not find their purpose in life, rooted in the Word of God with a map attached they have a high percentage chance to be Wanderers most of their adult life.
- II. Practicum including leadership
 - a. The church needs to be effectively involved in teaching them Service is our responsibility.
 - b. They need to have solid consistant experiences in serving & play a role in planning to create ownership
 - c. They need to know who they are in Christ
 - i. The Plumline of building character:
 1. A seeking personal devotional life
 2. The understanding of your movements foundational truths.
 3. A child must learn the value of money & whom it belongs.
 4. Finding & Developing the giftings & talents
- III. Pursuit Driven by Knowledge
 - a. They need to experience the power of Gods Word hands on
 - b. They need to understand the pursuit of holiness according to the gospel
 - c. They need to be consistently soaked in the presence of serving with value.
